Electric Yard Tractors

2023 BEST Fleets
TO DRIVE FOR
6 Consecutive Years as a BEST Fleet

KELLER DEDICATED SERVICES

Keller Trucking spotting services are optimized for individual clients, but generally include dedicated drivers, specialized equipment, and oversight. We provide real-time information and intelligent work direction while giving you complete visibility of trucks, trailers, drivers, goods, and materials - from the moment they arrive at the gate to the moment they leave your facility.

Benefits of Keller Dedicated Services include:

- Graphical interface - maximize labor efficiency
- Real-time location tracking - capture accurate equipment locations
- Dynamic appointment scheduling - Adjust dock schedule quickly as needed
- Real-time visibility - Improve decision-making
- Inventory accuracy - Reduce shrinkage and spoilage

**WE'RE CURRENTLY SERVICING
10 LOCATIONS WITH 40
TRACTORS AND 60 DRIVERS**

ELECTRIC YARD TRACTORS | ALL-ELECTRIC CLASS 8 YARD TRUCKS TELEMATICS

- Increased worksite productivity
- Improved vehicle performance
- Through the Fleet Information Management System, fleets access instant feedback, real-time performance statistics, and hard data to calculate savings and efficiency.

INNOVATIVE

- Better truck control
 - Reducing stopping distance and stopping time
- Drivers prefer EVs
 - Reduced driver fatigue, safety incidents, driver turnover
 - Reduced distractions

RELIABILITY

- Where diesels can be down 20% of the time, the latest Orange EV trucks report just 1% downtime. With 99% uptime, Electric Yard Tractors keep your operation moving, saving time, hassle, and money
- Fewer parts = Less wear and tear
- Start - and provide nearly immediate heat - in the cold weather

SUSTAINABLE

- Zero emissions
- Fewer spills, slips, injuries, and fines
- Emission-free electric yard trucks eliminate many regulatory compliance headaches, reduce a company's carbon footprint, and put an end to costly emissions-related fees and penalties.

COST SAVINGS

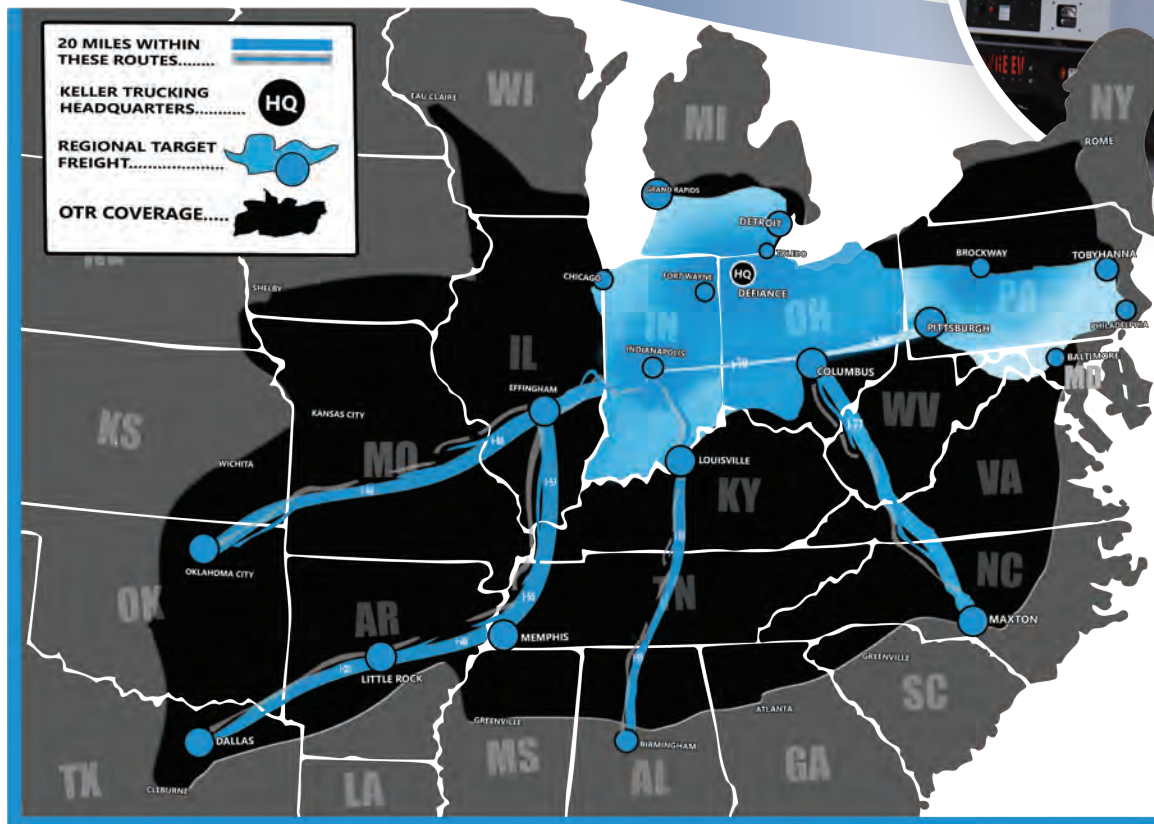

- Average 90% Fuel Savings
- With moderate use save, ~\$20k-\$40k per truck annually
- Electric use of 9KW/HR compared to fluctuating fuel surcharge

Keller Trucking

RESPONSIVE • RESOURCEFUL • RELIABLE

SERVICE AREA

Keller Logistics Group understands how important it is to meet your customers' demand for product. We help you fulfill your customers' requirements by being **responsive, resourceful and reliable** people in logistics. Our company's core values were created from the legacy left behind by our founder, Thomas E. Keller. We take pride in thinking like Tom. We know that you- our customer, benefit from us staying a step ahead of the competition, rely on us to provide good customer service, and are supported by the respect, accountability and integrity of working as a team. We plan to carry on this legacy for years to come. This is our promise to you.
